### VERY AMBITIOUS

Along about 1895 to 1900 Blamarch, Along about 1895 to 1906 Hamarch,
North Dakota, had more citizens ambitious to hold something in the way
of public office, position, or "job at
the capitol," or "guard at the pen,"
in proportion to the number of qualified voters (and in those days they
were not all qualified), than any other spot where Roosevelt ever lived,"
remarked the old time Bamarck attorney. "It was anything to be in the
imeliant; anything to be recognized, remarked the out time remarked, torney. "It was anything to be in the limelight; anything to be recognized, however unimportant the position. That feeling even permeated into the jury room. I was states attorney during the period, and 1 day was engaged in the prosecution of a rough rider who had forgotten that the brand arrow double R wasn't his own, but belonged to his neighbor. The defense broke down completely, and it appeared there was nothing for the jury to do but 'walk rusht out and walk right in again wan a verdict of guilty. After the jury retired, Francis H. Register, Ess., atterney for the detendant, who is still a leader at the Bismarck bar, remarked, er at the Bismarck bar, remarked, 'His all up, of course: but, as I have \$ minutes to waste, I'd wait and view the remains.' Altho the call for the ered on the bench, upparently waiting for the return of the Jury. 15 minutes passed—12 hour—an hour. No appearance of the Jury. Every one except the Judge. Mr. Register, and myself, and as we prepared to go the judge remarked to us that he was compelled to presume that Mr. Regthe judge remarked to us that Mr. Rescompelled to presume that Mr. Rescister's summing up had been all the defendant had; and of course Mr. Register smiled. That jury was cut 4 hours, and then brought in a verdict of guilty. The next day I met 1 of the jurys and seked him what delayed them so, and how many bullets they took. 'Why,' he said, 'we took they took. 'Why,' he said, 'we took they took. 'Why,' he said, 'we took they took to ballet as to the guilt or instant. No stub should be left, 'they kinds of floors are in use for the same that Mr. Rescomplishing the same that Mr. Rescomplishing the special to the special to the same that Mr. Rescomplishing the same that Mr. Rescomplishing the special to the special to the same that Mr. Rescomplishing the special to the special to the same that Mr. Rescomplishing the special to the special to the same that Mr. Rescomplishing the special to the special to the same that Mr. Rescomplishing the special to the special to the special to the special to the same that Mr. Rescomplishing the special to the special to the special to the special to the same that Mr. Rescomplishing the special to the special t ballots and fought 4 hours as to who should be the foreman. "—Edward S. horses, but it is doubtful if there is

#### BUSINESS MEN TO SEE FACTORY PLANTS

There are more than 200 factories in St. Joseph that few of our citizens know about. An effort will be made to have business men visit them so that they may know what the Old Town is doing in a manufacturing way. Not a bad idea. An up-town man, calling at The Journal office. stated that he had no idea that The Journal was as well equipped. Not many know that The Journal employs
40 persons, has a pay roll of \$100 a
day, occupies 7,000 feet of floor space,
prints 12,000 newspapers each day,
does \$100 worth of job printing each
day, publishes 2 weekly newspapers, union wages to all employes, has machines and presses and has the best rafety guards about every machine. The state inspector of safety appli-

for the receiver of the Consumers Laght, Heat and Power company, of Topeka. The distributing companies began their fight against low rates and the present scale of division of profits with the pipe line company. They maintain the whole of the 25c rate without deducting the pipe line companys chare, would pay little in excess of expenses. The pipe line companies contend 2-3 of the rate paid by consumers is adequate.

An Englishman urges farmers to leave instructions that they be carried to their last resting place on a farm wagon rather than in a hearse. He says a hearse is an abomination of stamped tin and tinsel and we never know what the last person that used it died from. He urges them not to make their last journey in a "gaudy, balck varnished, unhealthy hearse," We pass along to American fariaers pald by consumers is adequate.

#### MORE WOMEN ARE NOW

More women, it seems, are smoking, More women, it seems are smoking.

And cigarets, at that. Few of them
as yet smoke "real tolsieca," as the
maic ameiers put it, but the consumption of cigarets in 1s16 reached the
highest mark ever recorded. The
tremendous increase, more than 40
per cent over 1915, is attributed to 2
hain causes. Increased prosperity of
the country and growth of the eigaret
habit among women. Many millions
of eigarets made for feminine users
were produced and imported during which the government levied a tax happy cure, says Farmers Review. total of 25,232,980, 2-3, na compared. If any land is infested with cock with 17,929,234,208 in 7015.

## MANY REASONS WHY WHEAT WAS KILLED

HIAWATHA, Kan.-This has been a busy season for the wheat killers. Early in the fall it was the fly. Then a little later the crop was ruined because of dry weather. Failure of a big winter snow storm to appear prolonged the killing. A few weeks ago there was a sudden freeze after a heavy rain. The wheat was killed again, this time by having been lifted when the ground around the roots froze. Sunday morning there was a real old-fashioned dust storm. Now the wheat has gone for sure, for the killers say the wheat has been blown away with the dust. away with the dust.

#### STATE INSTITUTIONS **NEVER CHANGE METHOD**

Private business concerns change their methods of doing business as occasion demands it. Experience is a great teacher and the big business men, and the little ones too, are constantly learning how to improve their institutions. The improvements better conditions of the employes, the patrons and all concerned. But a big public institution like the state never changes its methods. It-is a Bourbon right. Uncle Sam is the same kind of a Bourbon. That's 1 of the That's 1 of the things

#### THOMAS A. EDISON PUNCHES TIME CLOCK ON HIS BIRTHDAY

Is the supply of home made pickles dwindling? Never mind, you can replentsh your gtock of chill sauce at any time at a cost little more than when you made it of fresh tomatoes in the good old summer time and at much less than you would pay at the grocery. Here is a good recipe: Put into a granite saucepan the contents of 2 large cans of tomatoes. Add a pint of vinegar, diluted with 1-3 the quantity of water, if the vinegar is

#### WE WILL GET MORE FREEDOM

Possibly you read of the Keniucky possibly you read of the Kentucky judge who made an unpopular decision, and was attacked by a mob. This sort of thing is increasing; it is inevitable in a Free Country. You have probably observed, also, that congress is attacking the supreme court, and trying to reduce its authority. We will finally get all the Freedom we want, and more.—E. W. Howe.

While the hatchet is frequently buried, it is never planted very deep him home
